

Information for Parents:

- All STAFF and CAMPERS will have a brief health screening each morning upon entering the building.
- Access to the inside of the building will be limited for health and safety.
- Extra measures will be in place per CDC guidelines. There will be signs for front door drop-off and pick-up.
- The children will be active with a variety of safe child-centered indoor and outdoor activities within their group of fellow campers.
- Per the Governor guidelines, children under the age of 10 years old are NOT required to wear face masks, but may- to the extend feasible.
- Teachers will remain with the same sets of campers each day throughout the week. Class sizes will be limited.
- Each camper will have their own set of craft supplies.
- Each group will enjoy ample outside time on a staggered schedule, or in different areas outdoors.
- Our guidelines will be updated as needed based on declarations by the Governor to always remain in compliance with State or CDC health and safety specifications.

Please send your child to camp each morning with:

- A labeled backpack or tote bag
- A labeled snack
- Water in a labeled, closing sippy bottle
- Sunscreen already applied (if sunscreen is desired)
(we will not be able to apply sunscreen at camp)
- Comfortable shoes (prefer sneakers or close-toe shoes)
- Ready to have fun! 😊
