# Class & Tuition Options:

Tuition is calculated as an annual amount that can be divided by 9 monthly payments for your convenience. Holidays, and other days closed throughout the year are already calculated in the tuition amount. As school days vary each month, those months with fewer school days do not have any bearing on monthly amount due. The first tuition payment must include the deposit.

**1<sup>ST</sup> Tuition payment = 1<sup>st</sup> month + Deposit.**

**This Deposit applies to May's tuition only. All tuition and fees paid are non-refundable.**

## Monthly Tuition Schedule:

**SIBLING DISCOUNT:** Enrollment is \$125 first child, \$65 each additional child. Tuition is 10% off second child (or lowest tuition). Applies only to children in the same family attending the same school year.

I understand that the Registration Fee, deposit, and all tuition paid is non-refundable.

I understand that tuition is calculated on an annual basis and that non-school days are already calculated in. School days vary each month. Months with fewer scheduled school days have no bearing on the tuition amount due. There is no reimbursement for missed days, sick days, vacation days or inclement weather. The Deposit is applied to May's tuition only and is non-refundable nor transferable to any other month or account.

I understand that should I remove my child for vacation or any other reason, I am still obligated to pay tuition during that time enrolled-unless I want to withdraw my child and forfeit their spot. At that time, I understand that I forfeit all tuition and fees paid. If I do withdraw and choose to return, the original Registration Fee and deposit do not transfer. I will be re-enrolling and paying fees as if a new student.

I understand that Hilltop is making the commitment to holding the spot for my child that I have chosen above. Should I choose to reduce the number of days I have chosen for my child to attend after Aug.1<sup>st</sup>. I understand that I will still be liable to pay the (higher)tuition amount throughout the remainder of the school year.
